

Copenhagen Judo is part of Amager Judo School. We are located quite close to the main square in the capital of Denmark.

Copenhagen judo plan and execute all the club's international activities.

We held Copenhagen Camp for the last 10 years - always held the 1st weekend of September.

For the first time, we organize Copenhagen Open in 2011 and it is our plan to run this tournament every year at Easter.

Our club facilities are brand new and we have no less than 700 m2 to our daily activities.

We organize our international activities, conducted in "prism" which is less than 500 meters from our club. Prism is a brand new hall, which is one of the most beautiful in Denmark.

We look forward to welcoming you.
